About Us

Walkers of Trowell, the complete anglers store, is situated in the heart of England, between Nottingham and Derby. Our shop has been established since 1971 and we have justifiably built up a reputation for quality, service, reliability and honesty. We have been supplying fishing tackle Mail Order to customers all over the world so moving on to the Web is a natural step for us.

We have a staff of 12 dedicated anglers who will be only too pleased to help and advise you. Our shop covers an area of 4,500 square feet with over half a mile of shelving which positively groans under the weight of stock! Just to browse around this Aladdins Cave of tackle is a tonic in itself. We have well over half a million pounds worth of tackle, clothing and footwear for coarse, game, and sea anglers.

If your in the area why not pay us a visit? We are in the very heart of the Midlands, only 4 miles from junction 25 on the M1 motorway.
